

Candidate Quick Start Guide

Step 1: Complete Your Profile

Log in and ensure your exam target (NEET / JEE / Foundation) and contact information are updated.

Step 2: Attempt Your First Test

Head to the **Active Test Series** panel and click *Attempt Test* to test your speed and accuracy.

Step 3: Review Mistakes in Memory Lab

Questions answered incorrectly are saved to your Memory Lab for spaced flashcard revision.

Step 4: Track XP & Climb Leaderboards

Earn XP points for every test completed and level up on the national student leaderboard.
